That's good News Arturo. Thank you for being on top of all this request.

In regards to the ground Breaking planning. I'm including Conrado On this email.

Thanks.

Hi Ricardo,

Echoing what Misty said, Axiom Group sent out two workers Saturday for repairs reported by Stuart. If there are other repairs needed, please let me know.

Also, is the Council Office interested in holding a groundbreaking celebration of the completed project? Mosaic Tiles will be delivered to Axiom Group this week and some planning can commence.

Thanks

Good Afternoon Arturo, Hope this email finds you well.

We received a 5th complaint about the wooden slabs.. Can send a crew to repair this location as soon as possible. The picture attached is from the Northwest corner of Avenue 58 and Figueroa.

Also, we received a report for a location near the Metro

Tracks on Figueroa and 60, can your crew inspect that site and make any repairs if possible.

Thank you,

The plywood spacer on the corner of Ave 58 and N Figueroa has become very dangerous, it is now several inches below the sidewalk. Someone is likely to get injured if it isn't repaired asap.<image002.jpg>
